# Owner Loyalty Rewards

Keep the Value by Keeping it in the Family

—\$2,500 Discount  
One Engine  
Owner Loyalty Reward

This owner loyalty reward is for returning RAM airplanes. Qualifying airplanes are Cessna 340/A, 414, 414A, 421C, or Baron 58P/TC with a RAM engine or STC. This owner loyalty reward can be applied to an engine installed at RAM, or an engine shipped to your FBO, worldwide!

If you have a qualifying airplane with a RAM engine, and it's time for an overhaul, keep your airplane value high and save some money by choosing the \$2,500 One Engine Owner Loyalty Reward. This reward is available on an engine shipped

to your FBO for local installation or a replacement engine installed at RAM in Waco, Texas. You can even use this reward to upgrade your current RAM series engine package. Call for details.

—\$5,000 Discount  
Twin Engine  
Owner Loyalty Reward

This owner loyalty reward is for returning RAM airplanes. Qualifying airplanes are Cessna 340/A, 414, 414A, 421C, or Baron 58P/TC with RAM engines or STCs. This owner loyalty reward can be applied to engines installed at RAM, or engines shipped to your FBO, worldwide!

If you have a qualifying airplane with RAM engines, and it's time for an overhaul, keep your airplane value high and save some money by choosing the \$5,000 Twin Engine Owner Loyalty Reward. This reward is available on engines shipped

to your FBO for local installation or replacement engines installed at RAM in Waco, Texas. You can even use this reward to upgrade your current RAM series engine package. Call for details.
