

## Additional Specifications

- **RAM Overhauled Engine TBO Warranty:**  
100% Engine and accessories, for the 1st year, or 500-hrs, whichever occurs first. Thereafter, the engine only is warranted on a prorata basis to TBO at RAM's reduced minimum accrual rate of only 30 hours per month, thus extending coverage over five years. For complete details go to [www.ramaircraft.com/ramtbowarranty](http://www.ramaircraft.com/ramtbowarranty).
- **Exchange Core Policy:** Engine, crankcase, crankshaft, internal gears, exhaust, accessories, propeller, governor, and hardware items are only sold on an exchange basis, based upon the customer's exchange of like type and normal runout cores as removed from subject aircraft, and serviceable to RAM's overhaul specifications. Cores should be returned within 30 days of RAM OHE engine shipment, or immediately with a RAM installation. Non-serviceable core fees will be due and payable to RAM.
- **Items not included:** Magneto sensor assembly, secondary alternator, A/C compressor, prop governor, hoses, exhaust risers and exhaust parts are not included unless specified by an optional purchase order and a RAM Work Order Supplement issued at the time of engine order placement.
- **Customer - Discuss the following with your RAM Representative before ordering.**
  - **Aftermarket STCs:** Engine parts and accessories required by aftermarket STCs are not included with a RAM OHE engine.
  - **Aftermarket STC Parts:** Substitution or addition of aftermarket parts is an additional charge. Please review with RAM prior to engine overhaul. Pre-shipment of aftermarket cores may be required.
  - **Fuel System:** To ensure selection of the proper fuel system, customer needs to specify the currently installed CMI engine specification number when placing an engine order.

## Optional Parts and Engine Installation Items

- **Fuel Hose Kit New:** \$726
- **RAM Parts Catalog** - Additional engine & installation parts. Ask for a free copy.
