# Loyalty Rewarded

Keep the Value by Keeping it in the Family

## —\$2,500 Discount Single Engine Loyalty Reward

**This loyalty reward is for returning RAM customers with a Cessna 340/A, 414, 414A, or Baron 58P/TC with an existing RAM engine. This loyalty reward can be applied to an engine installed at RAM, or shipped to your FBO, worldwide!**

If you have a qualifying airplane with an existing RAM engine, and it's time for an overhaul, keep your airplane value high and save some money by choosing the \$2,500 Engine Loyalty Reward. This reward is available on an engine shipped to

your FBO for local installation or a replacement engine installed at RAM in Waco, Texas. You can even use this reward to upgrade your current RAM series engine package. Call for details.
